AMA Waterways is an American luxury river cruise company, winner of many awards with a warmer approach, more local insights less touristy. We love AMA.

- AMA is casual at meals and on tours, people dine in day clothes making packing easier and making new friends less daunting.
- Food and wines are changed daily to the cuisine where you are docked.
- There is a chef’s table; everyone is invited during the trip. Our group goes together.
- Tours are smart, using time efficiently. Some walks are divided- fast and slow, even late starters.
- There are goodies in cabins, like cookies or snacks. This is festive cruise.
- Cabins are more like hotel rooms with flat screen tvs, email, movies or announcements. Amenities are top of the line.
- There is free wifi. Since AMA is American, movies and tv are in English.
- The entertainment is not ‘kitchy’ - fine music and accomplished performers.
- There is no nickel and dime-ing; AMA includes everything, even wine/beer/soda at lunch and dinner. Tips are not included, budget \$100.
- We can book competitive airfares with AMA arriving for our pre tour if you wish.
