### **Itinerary**

Leave North America **April 21** arrive **April 22, 2017.**

Some women usually leave a day early and overnight in Pisa. We recommend Hotel Bologna, which offers a free airport shuttle. You must book directly on <http://www.hotelbologna.pisa.it/> for the shuttle. A taxi ride from Pisa Airport is about 15 minutes. The hotel has free snacks at its bar and an excellent breakfast. Pisa is a small town, walking to the Tower takes about 15 minutes. You will have a list of everyone in the group so you can connect on this non tour day if you wish.

#### **Day One April 22 2015**

Our transfer meets you at Pisa Airport for flights scheduled to arrive by 3PM (earlier if last flight is before 3PM). We drive to the villa less than an hour away. This is a group transfer so you might have to wait if you arrive early. Those already in Pisa will be picked up at 1PM at the Hotel Bologna. Tonight welcome drinks followed by dinner prepared by our local chef.

#### **Day Two**

After breakfast our first cooking lesson with our chef, enjoying the results for lunch. This afternoon we visit Lucca for a casual guided walk. Our walks are accompanied by our local escort who also stays in the villa with us. Dinner is prepared for you at the villa. *All meals in the villa include wine or Prosecco or both.*

#### **Day Three**

Enjoy our second hands-on cooking lesson after breakfast, and eat the results for lunch. Afternoon, visit a winery for wine and olive oil tasting; please note we are changing the venue for this event. Return to the villa for dinner prepared by the chef.

#### **Day Four**

After breakfast visit Florence. Enjoy a day sightseeing or shopping. Our guide accompanies us for a look at this great city then you will have free time. For the Uffizzi Gallery, you must book tickets on line ahead of time. Lunch is at a local "trattoria". Return late afternoon for dinner.

## Day Five

Another cooking lesson then lunch. The afternoon is a visit to a Tuscan chocolate maker with tastings. Dinner at the villa.

## Day Six

This morning is our fourth cooking lesson, followed by lunch. The afternoon will be spent in San Gimignano with a chance to explore, before dinner at a local restaurant in town.

## Day Seven

After breakfast is our final cooking lesson and lunch. Enjoy our last afternoon relaxing at the villa. If you wish to add Siena, you must talk to our escort early on, and she will secure a per person cost for our driver/bus and arrange for the excursion. Cost can be divided up amongst those who want to go and payable by cash. Approximately \$70 per person. In the evening, we enjoy a special farewell dinner prepared by our chef.
