

Photos from The Day of the Dead trip in 2025 We expect the week to be full again.

The trip includes the full Ixtapan Spa Fitness and Yoga Package. Because it is over the Day of the Dead Festival we include home visits to see fascinating family altars, a day trip to Metepec and Toluca for the decorations, and a local night time parade with skeleton marching bands and Mexican music. You enjoy the usual inclusive spa package which you can see in the February 2026 flyers. In 2025 the hotel also arranged a traditional balloon festival and an Aztec performance during a special dinner.
