The interior of the Commodore Hotel is a nautical theme and is somewhat fitting being in close proximity to the harbor and the Atlantic Ocean. Cathedral, the Anglican Diocese of Nobel Peace Laureate Archbishop Desmond Tutu. In the early 18th century, thousands of slaves from Java, Ceylon and other Far Eastern regions were brought to Cape Town. Guest should get their cameras ready; they are headed for Cape Point at the southwestern tip of the Cape Peninsula, and the most spectacular views in the world. The drive there is just as inspiring, passing steep mountains, secluded coves, and sweeping beaches, as well as villages and fishing communities.

The tour begins with a scenic drive along the Atlantic coast, passing through the cosmopolitan suburbs of Sea Point and Camps Bay with its glorious views of the Twelve Apostles, part of the Table Mountain range. Guests will continue to the fishing village of Hout Bay, one of Cape Town's best-kept secrets. Here there is an option to take a short boat trip to Seal Island (for own account-not included & time permitting) to view the Cape Fur Seals, which inhabit the island. From here guests travel to the Cape Point Nature Reserve, comprising over 17,300 acres of indigenous fauna and flora. Here we can see a variety of wildlife that includes baboons, Reebok, Cape Mountain zebra, bontebok, and the elusive eland. The reserve is also one of the world's largest breeding grounds for tortoises. Birdwatchers, too, will find many fine species to observe.

The majestic coastline offers drama worthy of being called "Nature's Greatest Show." Guests will be able to see the union of the Atlantic and Indian Oceans and may even feel the brisk wind that is dubbed the "Cape Doctor" for its presumed curative powers. Following the coastline along False Bay, guests will return to Cape Town by way of Simon's Town, where they can visit the Penguin colony at Boulders Beach (for own account) and Fish Hoek fishing village. **06 November Private Full Day Winelands Tour (OPTIONAL \$115) Full Day: 8 hours) This full day tour will be with other guests.**

**Pick Up: The Commodore Hotel**

**Drop Off: The Commodore Hotel**

**Includes: This professional tour is not just for our group.** 1 Cellar tour, Vehicle (8 Hours), Guide (English speaking), 3 Wine tastings

While South Africa's fertile valleys are world famous for their crisp white and classic French-style red wines, the area is also a treasury of rustic beauty and sprawling estates shaded by giant oak trees. The drive will include the country's principal wine routes of Paarl, Stellenbosch, and

Franschhoek, with a stop en route for lunch (for own account).

The day starts with a visit to Paarl where guests will be struck by the beauty of the Valley, the pristine blue sky, the rolling vineyards, and the Pearl of Paarl set high above the valley. Paarl made headlines when President Mandela was released from the Groot Drakenstein prison (formerly known as Victor Verster prison), on the outskirts of the town, to freedom and the start of the new South Africa. Guests will enjoy a wine tasting at one of the local estates.

From Paarl, guests will continue north-west to the beautiful village of Franschhoek, near the Drakenstein Mountains founded in 1688 by French immigrants fleeing the Huguenot religious persecution in Europe. A memorial in the town commemorates the arrival of these early settlers who helped develop the wines sought after by Napoleon, Bismarck, and royalty such as Edward VII, the Prince of Wales. Here we will stop for lunch (for own account) and another wine tasting at a local vineyard. Guests will then head to Stellenbosch, the second oldest town in South Africa and the historic heart of the country's wine region. In 1679, Dutch East India Company governor Simon van der Stel, recognized the fertility of this long valley on the banks of the Eerste River, as perfect for vineyards. The rest is history, which has been carefully cultivated in this town. A gracious blend of 18th-century Cape Dutch, Georgian and Victorian buildings is evident on Dorp Street, where massive oaks still shade original water furrows. Enjoy a final wine tasting before returning to Cape Town. Lunch and Dinner not included.

One of the largest and most popular game reserves in Africa, the Kruger National Park is a bucket-list destination for those who love experiencing wildlife and adventure. Approximately the same size of Wales or Israel, the park is particularly special because of the easy access and opportunities it provides visitors. Its wide road network makes self-drive tours as well as guided tours equally appealing. The headline act is of course the animals, with the "Big Five" (lion, leopard, rhino, elephant and buffalo) taking center stage. There is however a huge supporting cast of more than 135 mammals and 500 varieties of bird. The sheer size of the Kruger National Park insures an ever-changing landscape. Each new habitat brings with it its own resident animals, making game-viewing a fun challenge and a quickly acquired skill.

Johannesburg is a vast city where opposites collide to create contradictions and extraordinary charm. Situated within the province of Gauteng, Johannesburg is home to the worlds largest urban forest of approximately 10 million trees. The city is the economic powerhouse of South Africa, and as a result has some of the most high-end shops and restaurants in the country. This urban sophistication stands in stark contrast with the many local street vendors and informal African spaza shops. The city has a surprisingly diverse range of activities on offer: popular stops include the sobering Apartheid Museum, Constitution Hill, Nelson Mandela Square, and Sandton City. Townships tours are recommended, as is the fast growing creative hub of the city, the Maboneng Precinct (meaning 'place of light'), as an inspiring place for urban artists and boasts great restaurants and entertainment, art galleries and a neighborhood celebrating art. Whether in the city for business or pleasure, there is plenty to see and do while there.
