

Tuscany Villa Cooking/Sightseeing/Christmas Markets

Dec 3-10, 2023

This is hands on cooking with our chef. We cook, eat drink and visit highlights of Tuscany and its Christmas Markets. All rooms are spacious with wifi/air conditioning and are nicely furnished. They have private modern bathrooms-several have large tubs instead of showers. The house is a former farmhouse restored beautifully with several living rooms, a huge kitchen, several dining areas, UK television, and large public spaces. The house sits in the middle of rolling vineyards, about 1 1/2 miles from a typical Tuscan village. Part of the complex is a medieval chapel, wine store, and olive oil press. If the owner is not in residence, we might also visit these sites. Weather in December is still mild.
